

Harry's second venturesome year at Hogwarts

The success story continues: flying cars, whomping willows and a warning from a mysterious house-elf – and this is only the start of Harry Potter's second year in the fascinating wizarding world. Following the first part, the original English version of **Harry Potter and the Chamber of Secrets – In Concert** can now also be experienced on the big screen. Accompanied by the Swiss 21st Century Orchestra, one of the most successful screen adaptations in cinema history, with its phenomenal score by John Williams, is transformed into a captivating live experience.

In this gripping screen adaptation of J.K. Rowling's second book, Harry, Ron and Hermione have to use all their magical abilities and sheer courage to save Hogwarts.
