

The timeless musical about love, courage & hope

Cameron Mackintosh's acclaimed Broadway production of Boublil and Schönberg's musical *Les Misérables* will play for the first time in Switzerland in its original English version!

Set against the backdrop of 19th-century France, *Les Misérables* tells an enthralling story of the ex-convict Jean Valjean, who agrees to the dying factory worker Fantine, to take care for her daughter, Cosette. The ex-convict, Jean Valjean, is still hunted for decades by the ruthless policeman Javert, so he escapes together with Cosette to Paris, where they get into the street-revolution facing a fight for life, hope, love and freedom.
