

Discover the Oscar-winning film screened with a live symphony orchestra performance

“One Ring to rule them all, One Ring to find them. One Ring to bring them all and in the darkness bind them”. These words from J. R. R. Tolkien’s famous three-part epic The Lord of the Rings has sparked the imagination of millions of fans for decades. Now The Fellowship of the Ring, the first part of the trilogy, is to be transformed into an unforgettable concert experience. A large symphony orchestra will be joined by a choir and soloists to perform the stirring Oscar- and Grammy Award-winning music together live, synchronised with the film on screen. You can experience this unique screening of the original film with German subtitles, with music performed for the first time by a live symphony orchestra, on 12 December 2019 at the Hallenstadion in Zurich.
